

ROCKET 90

90% SULFUR

General Information

For the correction of sulfur deficiencies, Rocket 90 Degradable Sulfur is effective when placed as a soil application. To insure proper results, it is important to treat the sulphur deficiency before visual symptoms appear. Rocket 90 Degradable Sulfur also improves soil characteristics when used as a soil conditioner. When mixed with the soil, Rocket 90 Degradable Sulfur can improve water penetration, lower soil pH, and increase nutrient availability. Rates of application will vary depending on the climate, soil type and method of applications. Consult your State Agricultural Experiment Station of Extension Specialist for advice in selecting treatment from this label to best fit local conditions..

WARNING!

**BURNING SULFUR EMITS
HIGHLY TOXIC FUMES
SULFUR DUST SUSPENDED IN
AIR IGNITES EASILY**

Keep away from heat, sparks and flames. Avoid creating dust in handling. Keep container closed. Use with adequate ventilation. Keep from contact with oxidizing materials

IN CASE OF FIRE

Smother with fog like spray, sand or CO2. Wear NIOSH approved self contained breathing apparatus.

IN CASE OF SPILL

Sweep up spillage. Place in an appropriate chemical waste container. Flush spill area with water. Observe all local, state, and federal laws and regulations regarding chemical spill, cleanup, and disposal

**SULFUR, SOLID
CAS # 7704-34-9**

Recommendations

Apply Rocket 90 to dry turf and incorporate into garden soils. Watering after application will aid in the dispersion of the sulfur granules. Early fall applications are preferred for lawn and gardens.

IN TURF (FOLIAR) APPLICATIONS NEVER APPLY MORE THAN 4.0 LBS/1000 SQ. FT PER APPLICATION OR TURF DISCOLORATION CAN OCCUR ESPECIALLY DURING HOT DRY CONDITIONS.

Rocket 90 may be applied with rotary or drop-type spreaders to either moist or dry turf. Turf should be watered at least 1/2 inch the same day as applied to aid in the degrading action of the granule. CAUTION: Do not unload with pneumatic conveyer equipment.

CAUTION

KEEP OUT OF REACH OF CHILDREN.

First Aid

Skin Contact: Wash with mild soap and water. Seek medical attention if irritation occurs.

Eyes: Flush with running water for at least 15 minutes. Seek medical attention if redness and irritation persists.

Ingestion: Irritation may occur, seek medical attention.

Inhalation: Remove person to fresh air. Seek medical attention.

Warranty Statement

Galaxy Sulfur, LLC. Warrants that this product in its unopened package conforms to the chemical description on the label and is reasonably fit for the purpose set forth on the lable. There are no other warranties, expressed or implied, concerning the use of this product other than indicated on the lable. This warranty does not extend to the handling or use of this product contrary to label instructions or under abnormal conditions or conditions not reasonably foreseeable to seller and buyer assumes all risk of any such use.
